Company Name: Boliden AB

Company Sector: Metals and Mining

Operating Geography: Sweden, Europe, Global

About the Company: Boliden is a Swedish company founded in 1931 with headquarters at

Stockholm, Sweden. It is engaged in metal mining, smelting, exploration and recycling of metals.

It focuses on the production of copper, zinc, lead, gold, silver, sulphuric acids, concentrates and

by-products. The company operates in two segments Smelters and Mines. Boliden is among the

world's ten biggest zinc producers and a top copper producer in Europe. It is one of the first

companies in the world to launch Green Copper which consist two products: low-carbon copper

and recycled copper. Boliden collaborates with Nordic technology and engineering companies to

leverage modern technologies and innovation in its production process. As of early-July 2021, the

company has approximately 6,101 employees in its marketing offices situated in Stockholm,

Germany, England and Denmark. For four consecutive years, Boliden has been recognised as a

Career Company by the jury.

Boliden's unique selling proposition or USP lies in being one of the world's largest producers of

zinc. Boliden's mission statement states "To provide the metals essential to improve society for

generations to come." The company's vision is "To be the most climate friendly and respected

metal provider in the world." The company's core values revolve around care, courage,

responsibility and strategy.
