Company Name : Aena S.M.E. S.A.

Company Sector : Airport Services

Operating Geography : Spain, Europe, Global

About the Company :

Aena S.M.E. S.A. (Aena) is a Spanish company that operates in the airport management and services industry. The company was established in 2011 and is headquartered in Madrid, Spain. Aena is primarily responsible for the management and operation of airports in Spain, including the development, maintenance, and enhancement of airport infrastructure. It operates a significant number of airports throughout the country, including major international airports. The company's activities cover a wide range of services related to airport operations. These include airport security, air traffic control, ground handling services, commercial operations, and other ancillary services. Aena aims to provide efficient and safe airport services to passengers, airlines, and other stakeholders. As a publicly traded company, Aena is listed on the Spanish stock exchange and is one of the largest airport operators in the world in terms of passenger traffic. The company generates revenue through various sources, including aeronautical fees charged to airlines, commercial activities within airports (such as retail, food, and beverage), and real estate operations. As of 2023, Aena S.M.E. S.A. manages a total of 46 airports and 2 heliports in Spain. It employs more than 9,230 people.

The Unique Selling Proposition (USP) of Aena S.M.E. S.A. lies in its comprehensive management and operation of a vast network of airports and heliports in Spain. Its mission is to provide efficient and safe airport services, fostering development, and growth of air transportation in Spain and it envisions to be a global leader in airport operations, delivering excellence, innovation, and customer satisfaction while upholding safety and sustainability. Overall, Aena S.M.E. S.A. plays a vital role in the aviation industry in Spain, managing and operating airports while providing a range of services to ensure the smooth functioning of air transportation.

Revenue :

4.2 billion - FY ending 31st December 2022 (y-o-y growth 69.3%)

2.5 billion - FY ending 31st December 2021
