Company Name : Netflix

Company Sector : Media and Entertainment

Operating Geography : North America, United States, Global

About the Company :

Netflix is an American entertainment company that has now become a leading internet television provider. It has a vast member base of over 93.8 million members spread out across over 190 countries, with more than 50 million being in the United States alone. The Company was founded by Reed Hastings and Marc Randolph in 1997. Its headquarters are located in Los Gatos, California. While it originally confined itself to streaming media and providing DVDs for sale and rent, it has now expanded into television and film production. From 2012 onwards, the company added a new section to its online library called "Netflix Originals". In 2016 alone, it has released an estimated 126 original films which is more than that achieved by any cable provider globally. In 2021, the company ranked #115 on the Fortune 500 list. Netflix has approximately 11,300 full-time employees located globally in 60 countries, as of early 2022. In January 2022, Netflix partnered with Design Museum in London for a new exhibit to celebrate its design journey.

Netflix's USP lies in providing quality entertainment to its users. Netflix mission statement reads, "To entertain the world". The vision statement reads, "To continue being one of the leading firms of the internet entertainment era".

Revenue :

USD 29.69 billion – FY ending Dec 31st 2021

USD 24.99 billion – FY ending Dec 31st 2020
