Company Name : Travelers Companies

Company Sector : Insurance

Operating Geography : United States, North America, Global

About the Company : The Travelers Companies is an insurance company, incorporated in Minnesota, United States. It is one of the oldest insurance company dated back to 1853. It provides a wide range of commercial and personal insurance products to business, government units and individuals. It has a presence in every US state and also has operations in United Kingdom, Brazil, Canada and many other countries. It is the third largest writer of U.S. personal insurance through independent agents and second largest writer of U.S. commercial property casualty insurance. Travelers' business is divided into two segments: Personal and Business. While personal products include car, home, renters, condo, landlord, boat & yacht, travel, pet, wedding & events, and umbrella insurance, Business products and solutions include commercial auto & trucking, cyber, general liability, management & professional liability, property, business owners policy, surety bond and workers compensation. As of early 2021, the company has approximately 30,000 employees and 13,500 independent agents and brokers in the United States, Canada, the United Kingdom and Ireland. Travelers ranked 98 in 2021 Fortune 500.

The Travelers Companies unique selling proposition or USP lies in being one of the largest insurance companies in the United States. Travelers Companies mission statement reads “We are an insurance company that cares. Travelers take on the risk and provide the coverage you need to protect the things that are important to you – your home, your car, your valuables and your business – so you don't have to worry.”
