Company Name : Tata Consultancy Services (TCS)

Company Sector : Technology Services, Outsourcing and Consulting Services

Operating Geography : Asia, India, Global

About the Company :

Tata Consultancy Services (TCS), founded in 1968, is an Indian multinational company, specializing in Information Technology and consulting services and solutions. The company is headquartered in Mumbai, India and has over 448,000 associates in around 46 countries. The company provides services like IT services, business solutions and digital solutions. These include e-business, engineering, management services, architecture and technology consulting, application development and maintenance, security and infrastructure development. Customers for the company range from the finance, banking and insurance industries to telecommunication and retail. The company has emerged to be the world's biggest IT services provider. The company crossed Accenture on 8 October 2020 to become the world's most-valuable IT company with a market cap of \$144.73 billion. Valut.com has ranked the Indian IT tycoon, #11 on its "Best Consulting Firms for IT Operations Consulting" list. FinanceAsia has ranked TCS Overall Best Managed Technology Company in Asia on its Asia's Best Companies list. In April 2022, Tata Consultancy Services declared that it had become a partner with Microsoft Cloud for Financial Services. In order to help clients, innovate and reimagine their businesses to meet changing market, customer, and regulatory needs, TCS will combine its deep industry knowledge and experience as a leading transformation partner for BFSI clients with its Microsoft Cloud for Financial Services solutions and its large talent pool of Microsoft-certified consultants.

The USP of TCS lies in it being the second-most valuable brand in the IT services sector globally. TCS' mission statement reads, "To help customers achieve their business objectives by providing innovative, best-in-class consulting, IT solutions and services & to make it a joy for all stakeholders to work with us."
