Company Name : BCE Inc. (Bell Canada Enterprises)

Company Sector : Telecommunications and Mass Media

Operating Geography : Canada, North America

About the Company :

BCE Inc., founded in 1983, is a publicly-traded telecommunications company. Formerly called Bell Canada Enterprise Inc. is now popularly known as Bell company or Bell Canada. It's headquartered in Montreal, Quebec, Canada, and is known as one of the largest communication companies in Canada. It is the holding company for Bell Media and Bell Corporate groups. The company was formed through the reorganization of its various subsidiary companies like Bell Canada, Northern Telecom, etc.

Bell provides various telecommunication services which include providing world-class wireless Home Internet, and fibre Internet and Tv networks, Cloud services and IP voice, data hosting, Connected Cars and Internet of Things. Its customer segment includes consumer, business and government agencies. Bell Media works in operating Canada's top media brands like CTV, RDS, Crave etc. The company also creates content for radio, local newspapers, entertainment series, films etc. The brand represents itself with the tagline "Today just got better".

In Nov 2020, Bell's 4G and 5G wireless networks have been ranked number 1 by PCMag in Canada's Fastest Mobile Networks 2020 report, the prestigious annual report on the performance of national networks. BCE's mission statement states "Transforming the way Canadians communicate with each other and with the rest of the world." BCE's USP or Unique Selling Proposition sprawls in being Canada's largest communications company, and an industry leader in the provision of communications networks and services.
