**Company Name :** Jacobs Engineering Group Inc.

**Company Sector :** Civil Engineering, Information Technology

**Operating Geography :** United States, North America, Global

**About the Company :** Jacobs Engineering Group Inc. is an American construction company, headquartered in Dallas, Texas. It was founded by Joseph J. Jacobs in 1947. The company services are divided into two segments Critical Mission Solutions and People and Places Solutions. While the Critical Mission Solutions provide services like cyber security, data analytics, software applications development, enterprise and mission IT, systems integration and other technical solutions, the People and Places Solutions provide end-to-end solutions for services like mobility, water, smart cities, advanced manufacturing and environment. These services are provided to government organizations and agencies, as well as to private industry firms. Jacobs has a worldwide presence including countries like U.S, Europe, United Kingdom, Australia, Asia, Middle East and New Zealand. As of December 2020, the group had 55,000 employees in more than 50 countries in the world. In 2021, Jacobs Engineering ranked 225 in Fortune 500.

Jacobs Engineering's unique selling proposition or USP lies in providing scientific and specialty consulting services all around the world. Jacobs Engineering mission statement reads, "At Jacobs, we're challenging today to reinvent tomorrow by solving the world's most critical problems for thriving cities, resilient environments, mission-critical outcomes, operational advancement, scientific discovery and cutting-edge manufacturing, turning abstract ideas into realities that transform the world for good."

**Revenue :**

\$13.56 billion - FY ending 2nd October 2020 (y-o-y growth 6.5%)

\$12.73 billion - FY ending 27th September 2019
